Selected Bibliography of Essential Hypertension

This general bibliography brings together varied resources in the field of essential hypertension. Only items produced by the National High Blood Pressure Education Program or those asterisked are presently available from the High Blood Pressure Information Center. For all other items please refer to publishers or your local resources.

Table of Contents

Section	Page
Bibliographies, Catalogs	1
Landmark Studies, Consensus Statements	2
Selected Monographs	6
Selected Specialized Journals and Newsletters	8
Journal Literature	11
Etiology and Occurrence	11
Mortality and Morbidity	12
Diagnosis and Management	13
Blood Pressure Measurement	14
Drug Therapy	15
Nondrug Therapy	17
Prevention and Control	17
Economics	19
Related Factors	20

BIBLIOGRAPHIES, CATALOGS

Behavioral Approaches to the Treatment of Hypertension: Bibliography, U.S. Department of Health, Education, and Welfare, NIH, NIH Publication No. 80-1219. Revised February 1980.*

Educational Materials for Hypertensive Patients, A Catalog of Evaluated Publications, National High Blood Pressure Education Program, U.S. Department of Health, Education, and Welfare, NIH, Publication No. (NIH) 77-1244.**

High Blood Pressure and the Dentist, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

High Blood Pressure and the Nurse, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

High Blood Pressure and the Optometrist, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

High Blood Pressure and the Pharmacist, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

High Blood Pressure and the Physician Extender, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

High Blood Pressure Control in the Worksetting, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1980.

High Blood Pressure - Risk Factors, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

Hypertension and Oral Contraceptives, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

Hypertension and Pregnancy, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

READEX FICHE

Hypertension and Smoking, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

Hypertension in the Child or Adolescent, Literature Search No. 79-13, National Library of Medicine, U.S. Department of Health, Education, and Welfare, NIH, 1979.

Hypertension in the Elderly, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

Hypertension in the Elderly, Literature Search No. 79-12, National Library of Medicine, U.S. Department of Health, Education, and Welfare, NIH, 1979.

Hypertension--Role of Body Weight, Sodium, Food Habits, and Weight Reduction, Literature Search No. 79-11, National Library of Medicine, U.S. Department of Health, Education, and Welfare, NIH, 1979.

National High Blood Pressure Education Program. High Blood Pressure Information Center, Audiovisual Aids for High Blood Pressure Education, U.S. Department of Health, Education, and Welfare, NIH, NIH Publication No. 80-1663, October 1979.

Recurring Bibliography of Hypertension
American Heart Association, 7320 Greenville Avenue, Dallas, TX 75231.

Screening Children for Hypertension, Bibliography, High Blood Pressure Information Center, National High Blood Pressure Education Program, 1979.

LANDMARK STUDIES, CONSENSUS STATEMENTS
